

The Hashemite Kingdom of Jordan

Ministry Of Interior
Saleh al-kilani

Introduction

- *The H.K.o.J. is a constitutional monarchy, ruled since 1952 by His Majesty the King, King Hussein.*

(With the passing of the monarch in February of 1999, the King's eldest son, His Majesty King Abdullah II, ascended the throne)

Authorities

1. Council of Ministers

- *Executive Power is vested in the Council of Ministers, which is appointed by the King;" and is accountable to a two house of the parliament" .*

2- *The Parliament*

- According to the constitution, the bicameral system (two councils) was taken into consideration; It was called “The National Assembly”,
- consists of :-
 - 1- Elected Council of Representatives.
 - 2- Appointed Council “Senates” by the King.

Functions of the Council

- *The Legislative Powers are vested in the National Assembly and His Majesty. The Council of Representatives exercises this power through major functions, which include:*

1- Legislation

The legislative process goes through several phases,

- *To start with attachment of the draft law from the Prime Minister.*
- *present The draft law to the relevant specialized committee.*
- *the opinion of the council regarding the whole draft law shall be taken.*
- *If the draft law is approved by the Council, then it shall be referred to the Senates in order to complete the constitutional procedures.*
- *The draft law shall be submitted after being approved by the Senate to His Majesty for endorsement,*
- *published in the Official Gazette. The law shall go into effect thirty “30” after being published in the Official Gazette.*

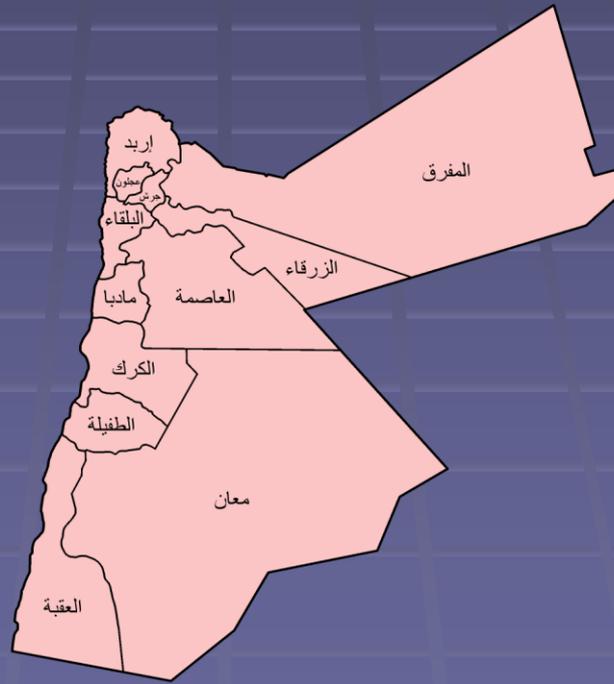

2- Oversight

Oversight

Oversight is the second mission of the Council of Representatives. It has a great and important role in overseeing the work of the Executive branch

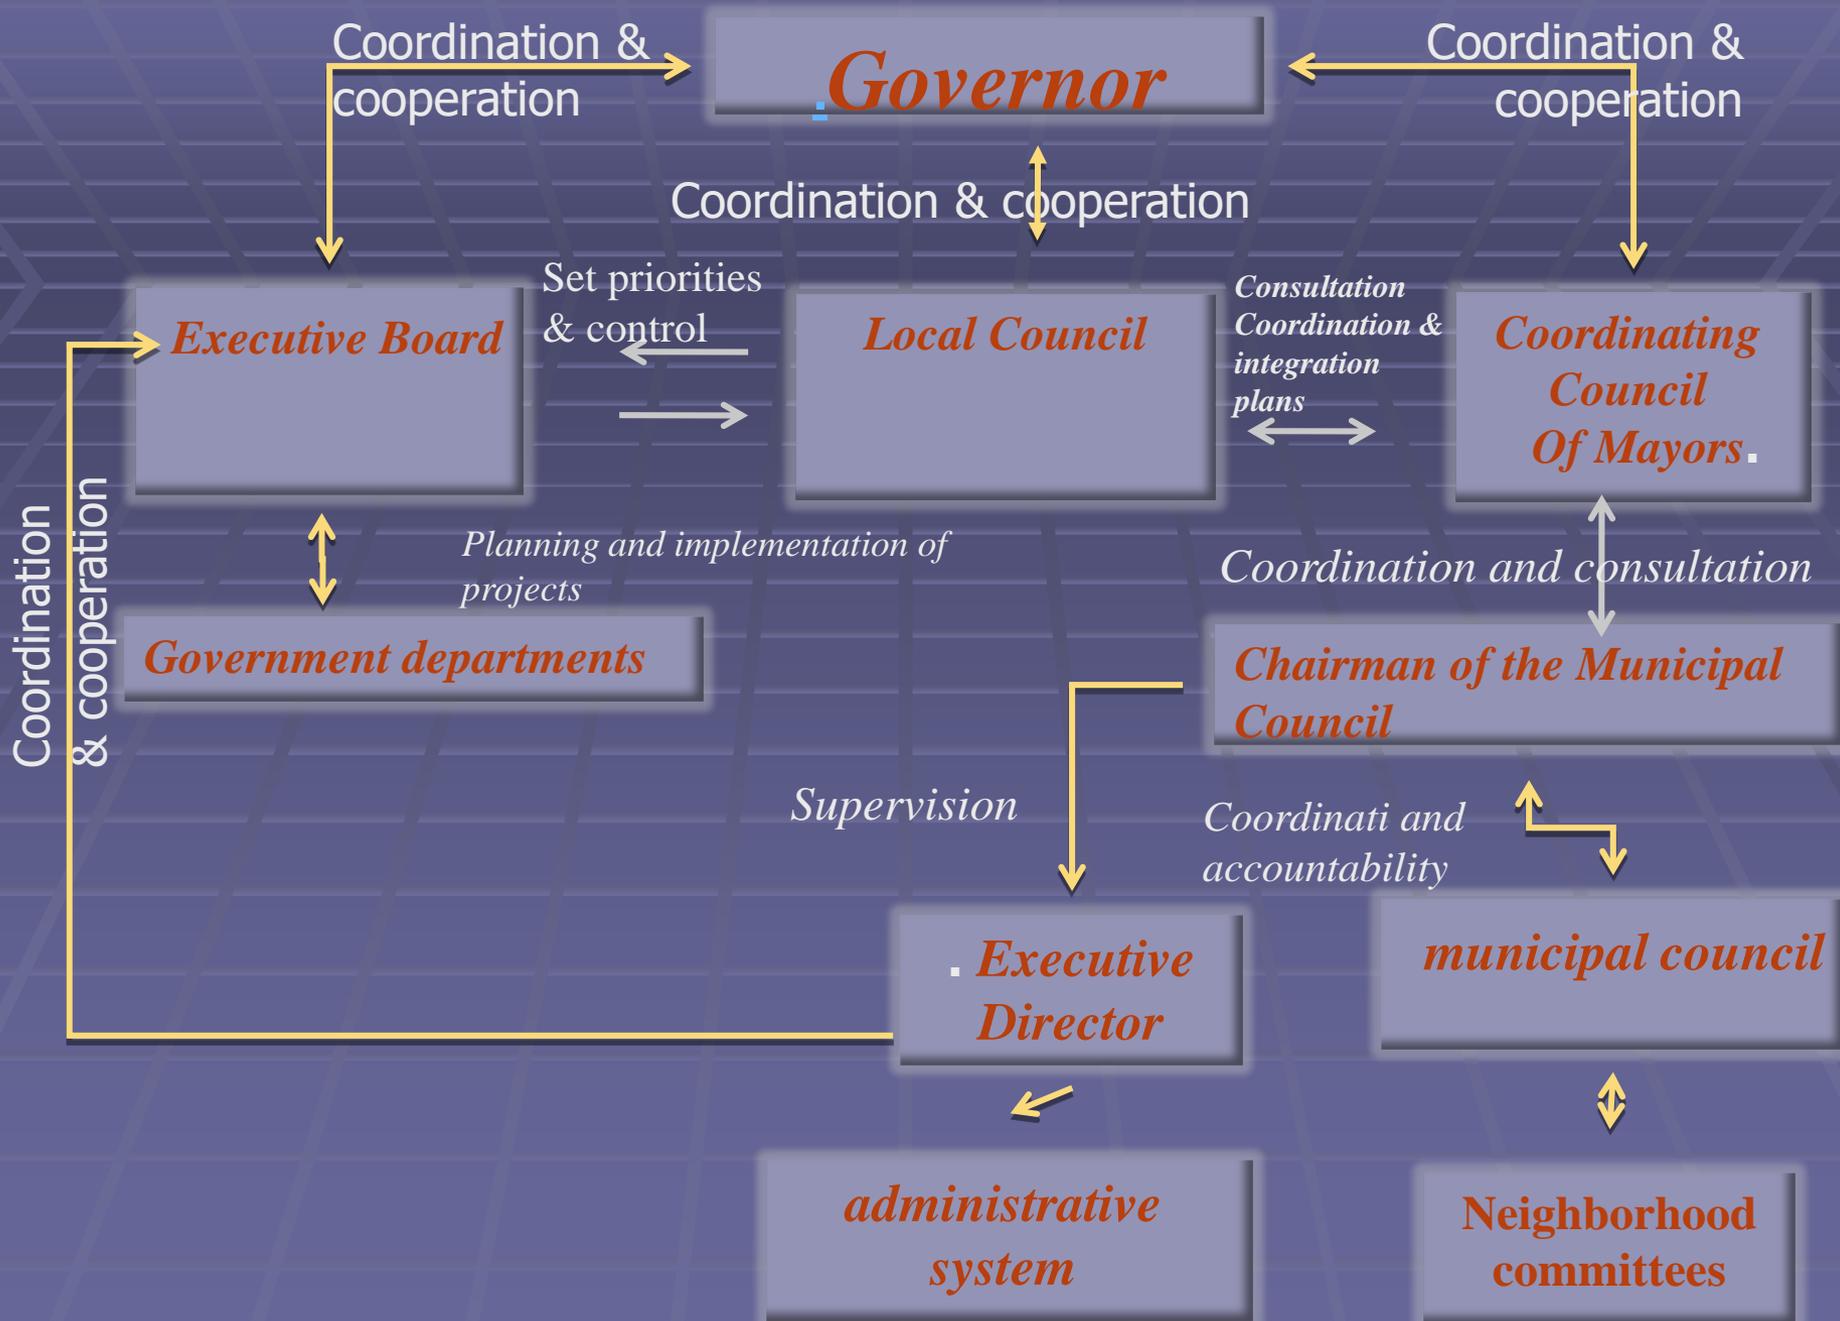

Decentralization project in governorates

2011

Objectives and justifications

- *Promote citizen Participation in decision-making for the development of the democratic process and completes the process of political and administrative reform.*
- *Promote Development of local comprehensive and equitable distribution of revenues.*
- *Raise the Efficiency and effectiveness of local administration and municipalities in the provision of services.*
- *Raise the effectiveness of the method of Planning and preparation of local budgets*

Requirements

- *Legal framework “ Legal Package Law ,..etc ”*
- *H.R. Capacity Buildings*
- *Institutional Capacity buildings*
- *Funding*

*It is not enough to Decentralize , but
it should be done well.*

QUESTIONS ?

Thank You
